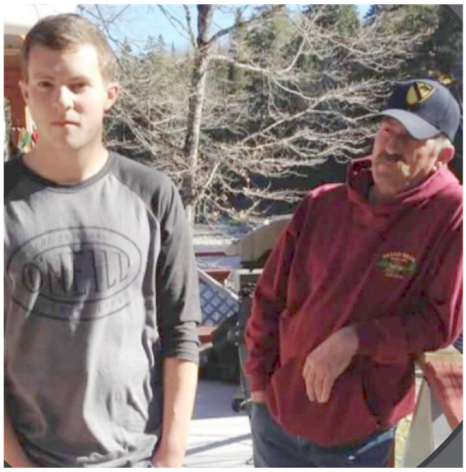
One long hard year has passed.
It's still so hard to believe.
I'm thanking God, for giving me you
And for all the memories!

When I remember you, I remember the first time we met. I looked back at our time together with absolutely no regret. When I remember you, I remember the first time I looked into your eyes. I couldn't believe my luck, I knew I had won first prize. When I remember you, I remember when you stole my heart. I knew from that first moment they could never keep us apart. When I remember you, I remember an amazing Dad, Then you got promoted to an amazing Grandad! When I remember you I remember the love we shared. Life without you by my side, no way was I prepared. So now when I remember you, I remember this, I'll see you soon in paradise and together we'll reminisce.

Rob, I know you are with our Heavenly Father and that gives me great comfort. Until we meet again, my husband, my friend.

Loved and missed always,
~ Carla Joyce



Dad, You held my hand
When I was small,
You caught me when I fell;
You're the hero of my childhood
And my later years as well.

And every time I think of you
My heart still fills with pride;
Though I'll always miss you, Dad,
I know you're by my side

In laughter and in sorrow,
In sunshine and through rain;
I know you're watching over me
Until we meet again

Forever loved and missed,
~Tyler and Holly

A loving Husband, Father and Grandad

Gone way to soon!

November 14, 2020

Remembering a Special Grandad

We really miss you, Grandad,
And we wish that you were here
To hug us with your loving arms
And lend a kindly ear.

Life goes on as always
But things seem out of place,
Now that we can't call on you
Or see your smiling face.

Although it's really painful
To think that you are gone,
We know you're in a better place
When all is said and done.

We never will forget you
And we'll never be apart,
With all the special memories
We keep inside our hearts

Always loved and never to be forgotten,
~ Sophie, Allie Jo, Easton
and baby girl Wren

There's Nothing Like the Sun

The south wall warms me: November has begun,
Yet never shone the sun as fair as now
While the sweet last-left damsons from the bough
With spangles of the morning's storm drop down
Because the starling shakes it, whistling what
Once swallows sang …

In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

- John McCrae

Thank You!

A simple thank you does not seem adequate for the very generous kindness shown to us at Doaktown Elementary School. We would like to send a heartfelt thank you out to the family of Chuckie Parker for their support in providing us with all the materials needed to replace our gazebo as well as to Jay-Fam Construction for taking care of its construction. Our fabulous gazebo is enjoyed daily and will be a constant reminder of how fortunate we are to live in a community with such truly generous people. Thank you again.
