(From Renous to Boiestown)

If you have a photo you'd like to see "headline" the *Salmon Country News*, if you have articles for publication, or if you'd just like some general information about advertising rates, coverage or publication dates, please call 506-365-7147 or email kswim@bellaliant.net

(DEADLINE FOR SEPTEMBER 2022 EDITION: WEDNESDAY, AUGUST 24, 2022)

The Atlantic Salmon Museum is delighted to announce the completion of its new "front" deck which has been funded in part by the Government of Canada's *New Horizons for Seniors* program, a federal initiative that supports projects led or inspired by seniors. Our deck has been especially designed for relaxation, conversation and, above all, enjoyment. It features a variety of comfortable seating arrangements, great views of our grounds, and a wonderful place to laze away a few moments while enjoying a cold drink or perhaps an ice cream in the summer sun. For those with mobility concerns, the ramp leading up to the deck and into the Museum has sturdy handrails and is completely wheelchair accessible. We are extremely proud of our new addition and hope you'll make it a point to visit us (often) to see it all for yourself.

Our sincere thanks go to *County Line Contracting* and to the *New Horizons for Seniors Program* for making this project possible. For more information, visit [New Horizons for Seniors Program – Community-based projects](#).

*If flowers grow in heaven, Lord,
Then pick a bunch for me;
Then place them in my Nanny's arms
And tell her they're from me.
Tell her that I love and miss her
And when she turns to smile,
Place a kiss upon her cheek and hold
her for awhile.*

*Because remembering her is easy,
I do it every day,
But there's an ache within my heart
That will never go away.*

Origins of the Months' Names

JANUARY - Named for the Roman god Janus, protector of gates and doorways. Janus is depicted with two faces, one looking into the past, the other into the future. In ancient Roman times, the gates of the temple of Janus were open in times of war and closed in times of peace.

FEBRUARY - From the Latin word *februa*, "to cleanse." The Roman calendar month of Februarius was named for Februalia, a festival of purification and atonement that took place during this period.

MARCH - Named for the Roman god of war, Mars. This was the time of year to resume military campaigns that had been interrupted by winter. March was also a time of many festivals, presumably in preparation for the campaigning season.

APRIL - From the Latin word *aperio*, "to open (bud)," because plants begin to grow in this month. In essence, this month was viewed as spring's renewal.

MAY - Named for the Roman goddess Maia, who oversaw the growth of plants. Also from the Latin word *maiores*, "elders," who were celebrated during this month. Maia was considered a nurturer and an earth goddess, which may explain the connection with this springtime month.
