

The Doaktown Headwaters

OCTOBER 2026

ISSUE #34

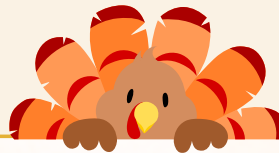

Thanksgiving Facts

- First Celebration: English explorer Martin Frobisher held a ceremony in 1578, in what is now Newfoundland, to give thanks for surviving a long journey, predating the first American Thanksgiving by 43 years.
- Earlier Harvest: Canada is further north than the United States, so the harvest season finishes earlier, making October a more natural time to celebrate.
- Canadians typically purchase around 2.1 million whole turkeys for Thanksgiving.

Events in October

Mon., Oct. 12 - Thanksgiving Day

Sat., Oct. 31 - Halloween

Halloween Facts

- Michael Myers' mask: The famous killer's mask in the 1978 movie Halloween is a modified, painted-white Captain Kirk mask from Star Trek.
- The "Monster Mash": Bobby "Boris" Pickett's classic Halloween hit was once banned by the BBC for being too morbid.
- Black cat folklore: Black cats became linked to bad luck and witches during the era of Puritan Pilgrims, though cultures in Scotland and Japan view them as good luck.
- Magic Houdini: The legendary illusionist Harry Houdini died on Halloween night in 1926.
- Samhainophobia: This is the clinical medical term for a severe, pathological fear of Halloween.
- Inside out trick: Folklore says if you wear your clothes inside out and walk backward on Halloween night, you will see a witch at midnight

The days are getting cooler, and there's definitely a feeling of fall in the air! I hope everyone who had a moose licence this season had a safe and successful hunt.

This month kicks off with the United Municipalities of New Brunswick conference, bringing councillors and senior staff together for a great opportunity to connect, share experiences, and learn from one another. It's always valuable to network with fellow municipal leaders, as well as provincial and federal representatives, while gaining new resources and insights to help us navigate and embrace the challenges ahead.

This month the Deputy Mayor, Beresford Price, and I volunteered to sit on the Planning Committee for the Housing and Construction Forum of 2027 with the Greater Miramichi Service Commission. The first meeting on September 22, 2026, included introductions, reviewing recommendations from last year and discussing the focus and direction of this year's Forum. I will be keeping you updated in the event you want to attend.

I want to clarify a mix-up regarding the fall cleanup. In previous years, the white goods pickup day has always fallen on a regular garbage collection day. As a result, any white goods, along with garbage placed at the roadside, was picked up at the same time. This year, however, the white goods pickup day fell on a recycling collection day. Due to this, the regular garbage was not collected until the following week. I hope this helps clarify the situation and explains why the garbage pickup was different this year.

I had a discussion with Alex Mills and Karl Wilson regarding the state of the Miramichi River and the Salmon Industry. When we protect the river, we protect an important source of employment, tourism, economic opportunity, community pride, and our future. We will continue to meet over the next few months to discuss how we can protect our precious resources.

The Upper Miramichi Non-Profit Housing has been in discussions to work with a few communities and the residents to gather information to determine what type of affordable housing is needed in our area.

Included in this newsletter, is a survey that they would like residents to complete and return to the village office so that they may share the information with the UMNH.

I am grateful for the ongoing support, understanding, and patience of our residents. A lot of important work continues behind the scenes, and we will make every effort to keep you updated as initiatives, projects, and opportunities develop.

Please know that I am always available to listen. Your questions, suggestions, and concerns are important, and I encourage you to reach out.

Thank you for your continued involvement and for helping make our community a strong and connected place to live.

I would also like to extend my sincere thanks to my fellow Council members and village staff for their continued support in for making my role easier and more effective.

Pumpkin Cheesecake Roll

Cake

- Cooking spray
- 3/4 cup (90 g.) all-purpose flour
- 1 tsp. baking soda
- 1/2 tsp. kosher salt
- 1/2 tsp. pumpkin spice
- 3 large eggs
- 1 cup (200 g.) granulated sugar
- 2/3 cup pumpkin puree
- Confectioners' sugar, for rolling

Filling

- 12 oz. cream cheese, softened
- 1 Tbsp. unsalted butter, melted
- 1/2 tsp. kosher salt
- 1 1/4 cups (145 g.) confectioners' sugar, plus more for dusting
- 1 tsp. pure vanilla extract

Directions

Cake

- Step 1 - Preheat oven to 350°. Line a 15" x 10" jelly roll pan with parchment and grease with cooking spray.
- Step 2 - In a medium bowl, whisk flour, baking soda, salt, and pumpkin spice. In a large bowl, whisk eggs, granulated sugar, and pumpkin puree until smooth. Add dry ingredients to egg mixture and whisk just to combine. Spread into prepared pan.
- Step 3 - Bake cake until a tester inserted into the center comes out clean, about 15 minutes.
- Step 4 - Meanwhile, lay out a large kitchen towel on your counter (try to use one with little to no texture) and dust with confectioners' sugar. When cake is done baking, flip onto kitchen towel and gently peel off parchment.
- Step 5 - Starting at a short end, gently but tightly roll cake into a log. Let cool completely.

Filling

- Step 1 - In a large bowl, using a handheld mixer on medium-high speed, beat cream cheese, butter, and salt until light and fluffy. Add confectioners' sugar and vanilla and continue to beat until smooth.
- Step 2 - When cake is cooled, gently unroll (it's okay if it remains slightly curled) and spread with cream cheese filling. Using towel if needed, roll back up and dust with more confectioners' sugar.

Hockey for the Advanced in Age

Background – There has been a group of hockey players that travel to Miramichi each winter. To participate in an early morning skate with retirees. On completion of our morning exercise, the group proceeds to a local restaurant to tell stories over coffee and breakfast. We pay for the gas twice a week, support local businesses, and build relations in the greater Miramichi region. This season, the City of Miramichi has made a decision to charge user fees to “Outsiders”.

The “Outsiders” are going to give it a “go” in our own arena. Support our local restaurants, save gas, and invite anyone who would like to participate! We will invite anyone from Miramichi City to Prospect Place with no user fees and we may even buy you breakfast. If you are interested in joining us for some fun skates and a little exercise, contact Art O’Donnell on messenger or call (506) 261-3298. Once we have an idea of the interest, I will set up a little “get together” to get feedback on preferred days and times!

Memorials & Thank You's

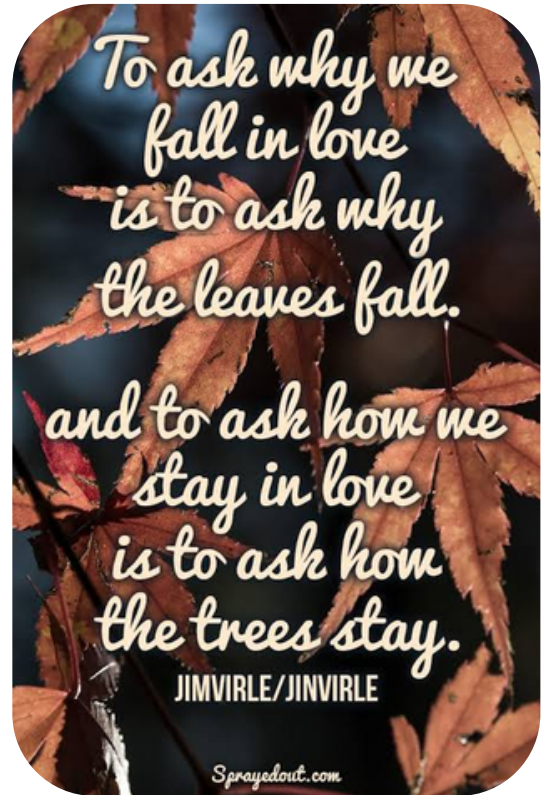

Thank You!

I would like to Thank everyone that sent cards, messages, called, visited & prayed for me. After I fell and broke my hip in June and had a brief stay at the Fredericton Hospital. A huge Thank You to the Ambulance Attendants, 4 NE Nurses and Doctors, including my surgeon Dr. Chan.

In July, I celebrated my 97th Birthday and I would like to thank everyone who came & celebrated with me. The cards, gifts, food, cake and the wonderful company from my family that day were greatly appreciated.

May God Bless You All
